

Student Adoption: A Way to Connect

One of the best ways students have connected with our community here at Ascension has been through our Student Adoption program. This may include going over to a family's home for a meal once a month, receiving cards or notes throughout the year, and simply having a family that loves you while you study in Pittsburgh. Both students and families have appreciated the chance to get to know each other as they eat, play, and share life together.

If you would like more info please contact Jonny at jonny.cagwin@ascensionpittsburgh.org
