

Building a Community You Can Count On: A Case Study of Growing Up in the Dental Chair

- The Practice as Context
- Waiting Room Conversations
- In the Dental Chair
 - Sent Forth to our Daily Exercises

- The Community at Large
- A place where specialized gifts are applied to renew. Reminding me of the heavenly city, that which is our cultural end goal.

1. Offering our work as worship to God. To whom much is given, much is required.
2. Bumping up against God, the devil, & the gritty-ness of creation
3. Common Grace
4. Loose Connections
