for Sunday, Sept 3, 2023 on
"Stewarding God's Abundant Grace"

READ: 1 Peter 4:7-11; Psalm 103:1-12; and Matthew 25:14-30

DISCUSS

1. In your own words, how would you describe "grace"? Can you describe a situation where you have experienced God's grace in your life
2. What is a "steward"? Share an experience of when you have been responsible for someone or something who/that belongs to someone else
3. What does it mean to be a "steward of God's grace"? (1 Peter 4:10)
4. Can you describe a time when you have witnessed someone else stewarding grace?
5. How might God be calling you to be a steward of his abundant grace this week?

PRAY

Spend time thanking God for the abundance of his grace in your life and in the life of our church - be specific! Ask the Holy Spirit to show you any particular way(s) that he wants you to steward his grace.

DO

This week, make a list of all the graces/gifts you can think of that you have received from God.

What else might God be inviting us to do in response to this sermon?
